Notes		
Overfitting	Test Phrase	True Class
Underfitting	The app works wonderfully!	Positive_Praise
Overfitting	Oh great, another crash right in the middle of my work.	Negative_Complaint
Overfitting	Can I change my billing address?	Out_of_Vocabulary
Optimal Fine-Tuned Model	Remarkable stability and smooth performance.	Positive_Praise
Optimal Fine-Tuned Model	Horrible customer service, nobody responded.	Negative_Complaint
Optimal Fine-Tuned Model	Help! I am locked out during an active migration!	Urgent_Support
	Thanks a lot for breaking my account right before a presentation.	Negative_Complaint
	Is there a discount for annual subscriptions?	Out_of_Vocabulary
	System unresponsive, live site is currently failing!	Urgent_Support
	Love the clean layout, super user-friendly!	Positive_Praise

PT-P1 Benchmark Performance

Predicted Class	Confidence (%)	Result	Analysis	Category
Positive_Praise	84%	Correct	Keywords: "wonderfully"	Positive_Praise
Positive_Praise	59%	Incorrect	Sarcasm error	Negative_Complaint
Urgent_Support	1%	Incorrect	Guessing blindly	Urgent_Support
Positive_Praise	81%	Correct	Semantic association	Out_of_Vocabulary
Negative_Complaint	84%	Correct	Keywords: "horrible"	Overall Performance
Urgent_Support	92%	Correct	Keywords: "Help!" "locked out"	
Positive_Praise	71%	Incorrect	Sarcasm error	
Negative_Complaint	2%	Incorrect	Guessing blindly	
Urgent_Support	79%	Correct	Incident patterns: "failing"	
Positive_Praise	86%	Correct	Keywords: "Love"	

Correct Predictions	Total Samples	Accuracy (%)
3	3	100.00%
1	3	33.33%
2	2	100.00%
0	2	0.00%
6	10	60.00%
